Hello,

On behalf of the Town of Provincetown and the Chamber of Commerce Board of Directors I would like to welcome you to Provincetown!

Provincetown is the place where the Mayflower Pilgrims first landed back in 1620 and inked the Mayflower Compact, which marked the beginning of American Liberty. Provincetown is also America’s oldest continuous art colony, the birthplace of modern, American theater and a safe harbor for many generations who were born or visited here.

With 80+ accommodations, 200+ shops, and 60+ art galleries, eateries and events, respectively, we are your one-stop-shop destination that offers something fun for everyone. Make sure you don’t miss our unique whale watch, trolley, bike and dune tours, or our world-class beaches, nightlife, and entertainment.

In 2020, Provincetown will be commemorating 400 years since the pilgrims’ arrival in the New World and if you would like to know more about what we have planned for you, please visit Provincetown400.com.

And like our Town Crier would say: “All is well because you’re here!”

**Tillie’s Kale Soup**

*from Provincetown Portuguese Cookbook by Mary-Jo Avellar*

1 to 2 bunches fresh kale  
1 lb. linguiça, sliced  
1 lb. chouriço, sliced  
4-5 large potatoes, like Yukon Golds which hold their shape  
1 small piece of salt pork, about 2-inches  
2 large onions, sliced  
1-15 oz. can shell beans

Render the salt pork and sauté the onions. Add the linguiça, chouriço and kale. Cover with water and bring to a boil. Reduce the heat and cook until the kale is tender. Add the potatoes and cook them until tender. Add the beans and heat through. The soup is still excellent if all of the ingredients, except the potatoes and beans, are placed in a large soup kettle covered with water, bring to a boil and then simmered until the kale cooks down. When the kale is tender, add the potatoes and beans. When the potatoes are done, the soup is ready. Kale soup is best served the next day, but it smells so good that most people can’t wait. Serves 6-8.

BikeProvincetown.com is pleased to announce that the Town of Provincetown has been designated as a Silver-level Bicycle Friendly Community (BFC) by the League of American Bicyclists.

Provincetown is the smallest town awarded in this nationwide round of applications and joins eleven other Massachusetts towns and cities honored by the BFC program.

The Silver-level award ranks Provincetown at the same level as Nantucket and Boston and as the first Silver community on Cape Cod.
